

## We are Advocates

### **GOING BEYOND NICE**

#### **Cultural Competency Training for Healthcare Providers**

Since 1999, LCCP has been a leader in providing a curriculum based training and education program for healthcare providers. Our professional trainers teach those in the medical community about the health disparities and discrimination faced by lesbian and bisexual women and transgender people. If you work in a healthcare setting, medical school or would like further information about bringing in LCCP, call us today.

## We Build Healthy Community

#### **Dykes Pedaling Bikes**

Each month during the summer, LCCP (in partnership with Dykediva.com and the Windy City Cycling Club) takes an all-levels bicycle ride along Chicago's lakefront.

#### **Health and Wellness Series**

Our workshops are free of charge, facilitated by professionals and take place throughout the year on a variety of health and wellness topics.

## We Help Navigate the System

Looking for a sensitive provider? Need more information on your health? Recently diagnosed? Our Patient Navigator helps lesbians and other women "navigate" through the maze of doctors, outpatient centers, insurance and payment systems, patient-support organizations, and other components of the healthcare system.

## We Provide Access To Care

#### **Early Detection Screenings and Treatment**

Free mammograms, clinical breast exams and pap smears for uninsured women in collaboration with our partner Howard Brown Health Center.

#### **LGBT Cancer Support Groups**

Groups for lesbian, gay, bisexual, and transgender folks facing cancer with our partner Gilda's Club of Chicago.

#### **Stress Management Clinic for Women**

Free massage and spa visits for women with cancer and free spa visits for their caregivers with our partner Thousand Waves Spa for Women.

## We Fight Tobacco

Support for women kicking the tobacco habit.

### **QUEER THE AIR**

Help us support Chicago's LGBT bars and restaurants transition to a 100% smoke-free environment. Join our campaign for early compliance, boosted revenues, and healthy workplaces.

## We Raise Funds

#### **Fall Brunch**

Our Fall Brunch brings together over 200 LCCP supporters for a day of brunch, drinks, conversation, live auction and networking.

#### **Coming Out Against Cancer Ball**

LCCP's Ball is the lesbian event of the year! Over 2,000 diverse, intergenerational women and men join us for a dinner and the Ball which features two rooms of dancing, silent auction, a dessert buffet, drinks, post office (for meeting people), raffle and excitement.

The Lesbian Community Cancer Project (LCCP) has fought in the trenches of this nation's health care crisis for the past 15 years.

Our vision is that lesbian, bisexual, and queer women and transgender individuals have appropriate and accessible health care in a supportive and bias-free environment. Our mission is to advance the health and quality of life for lesbian, bisexual and queer women and transgender individuals through advocacy and public education.
